Rainy River District Transportation Services Consortium

Bus Delays & Cancellations? We've got you covered!

- ◆ Find them on our website, simply click on 'Bus Delays/Cancellations'. Also listen to your local radio station for updates
- ◆ Bus delays will only be posted if a bus is running a minimum 15 minutes late
- ◆ If your student(s) bus is cancelled in the AM, it is **cancelled for the entire day**
- ◆ Be aware of your students Route ID for both AM & PM, as they may be different. Your students AM bus may run but their PM run could be cancelled
- ◆ **Ultimately it is the parents responsibility to decide whether they wish to send their student(s) to school on days of inclement weather**

FOR THE SCHOOL BUS

Drivers and vehicle owners will be charged if their vehicle illegally passes a stopped school bus with its upper red lights flashing. When travelling on a roadway or coming from the opposite direction (4 lane highway) you are also required to stop.

As a motorist you cannot move until the red lights have stopped flashing or the bus begins to move.
