# Inclement Weather

## *Rainy River District Transportation Services Consortium*

***During inclement weather, the safety of pupils is paramount. Transportation will be cancelled or modified if safety cannot be assured.***

### **Inclement Weather Tips & Information**

*The following are some tips and information to consider for your child(ren) when inclement weather is taking place:*

⇒ **Check the internet**

- ◆ Transportation information and school bus notifications will be posted at <http://rrdtsc.rrdsb.com>, as well as our **\*NEW\*** Facebook & Twitter page.

⇒ **Listen to Area Radio Stations**

- ◆ All transportation cancellations will be broadcasted on the radio stations for those that do not have access to the internet.

⇒ **School bus cancellations are for the day**

- ◆ If a bus route or transportation services are cancelled in the morning, this decision remains in effect for the school day. Buses will not operate in the afternoon.

⇒ **Parent and/or Guardian responsibility**

- ◆ Ultimately, it is the responsibility of parents and/or guardians to decide if they want their child(ren) to attend school on inclement weather days. If bus transportation is cancelled, it is the parent's/guardians responsibility to provide transportation.

⇒ **Know your child's transportation provider & Route ID**

- ◆ Being familiar with your student(s) transportation provider and route ID will help you properly identify the status of your child/children's transportation service when you see it on the RRDTSC website or hear it on the radio station. Please note that your child/children's route ID may be different in the morning from the route ID in the afternoon. Please ensure you listen for both morning and afternoon route ID's cancellation/delay status.
- ◆ **For Example: The morning bus may run however the afternoon bus is cancelled, parents will be responsible to provide transportation home from school that day.**
